Gurney's FALL NURSERY SPECIALS

We always like to advocate Fall Planting for nursery up here at Gurney's, because we like to see customers get that extra 6 months of growth. Not all things can be planted in the Fall, of course, but everything listed here can, and most are better planted now. You'll find real values, here, too. Better than we can hope to do next Spring.

Stately

DELPHINIUMS

BELLADONNA—Means "A Beautiful Lady." A lovely delicate blue. Tall, sturdy. Blooms June to frost.
